TIPS FOR HOSTING THE PERFECT PHOTO WALK

Ms MASS STUDIO

- 1. SET A THEME**
Photo Walks work best when you choose a theme. This could be a color, technique, or shape!
- 2. A GREAT LOCATION**
Research amenities & photo opportunities on your Photo Walk, and be aware of your environment.
- 3. PACK LIGHT**
Take minimal camera gear (ie one camera & lens). Set up your camera settings before you go.
- 4. PLAN FOR SUCCESS**
Turn off your phone, set yourself time limits to take photos and make a plan for shooting.
- 5. USE YOUR PHOTOS**
Be sure to do something with your photos - from printing to sharing on social or making a collage.
